Inspect & Protect Your Family's Future Today

We will provide you with 24 hour, 7 day a week Emergency Service 365 days a year. Our phone is always answered by a trained Van's electrical professional with repair technicians on standby to service your problems should you require us. *With this agreement, all labor rates will be charged at our normal daytime hours rates and NO overtime will be charged for Emergency calls. ***Does not apply to emergency trip charge.**

Members Protection Plan Terms of Enrollment

This is a planned service and safety agreement provided to you by the pros at Van's Electric of Lake Worth, Inc. We agree to provide you with a fully trained, professional and courteous Electrical Service Technician to inspect, test and perform an annual safety and maintenance inspection report on your home/building electrical system. You will see that the benefits of the program far outweigh your investment in this proactive service. You will be invited to renew your enrollment on the expiration date of this agreement. Your service technician can answer any questions you have during his/her visit. Just one major repair discount can more than pay for the cost of this invaluable safety program.

If you need ANY parts and/or labor to bring your home/building up to a safe condition, this agreement entitles you to a 10% discount.
